Snorkellers Welcome

Located only 30 minutes by boat are the magical Mamanuca Islands with a choice of over 20 dive sites, featuring truly amazing coral and tropical marine life.

Our Divemasters and Instructors are experienced PADI professionals who know the reefs inside out! They will show you some of Fiji's most spectacular dive and snorkel sites, making your holiday in Fiji a truly unforgettable experience.

We operate from a custom designed Aluminum Dive Boat and our dive equipment is top quality and maintained to the highest standards. A full range of PADI Dive Courses are available from beginner to professional level.
